Memorandum

TO: Lindsey Babcock, County Payments Coordinator, (LLOR931000)

FROM: Aaron G. Horton, Salem District Manager

SUBJECT: Fiscal Year (FY) 2010 Salem Resource Advisory Committee (RAC) Projects Approval

Attached please find the list of Title II projects approved by me for FY 2010. The projects were recommended by the Salem District, Bureau of Land Management (BLM) RAC on April 15, 2009 and validated by the RAC chair on September 15, 2009. We forwarded the list of projects to the appropriate counties as a courtesy on September 21, 2009.

We still have on file comments given to me on May 15, 2009 from Linn County regarding their recommendations on approval. Given the county's input, I have decided to re-allocate the dollars approved by the RAC for two projects, however not fully rejecting any projects.

This constitutes approval of the Title II projects as described in Sec. 204, of the Public Law (PL) 106-393 as amended by PL (110-343), otherwise known as the Secure Rural Schools and Community Self Determination Act of 2000.
