Memorandum

TO: Lindsey Babcock, County Payments Coordinator, (OR931)
FROM: Miles R. Brown, Salem District Manager
SUBJECT: Fiscal Year (FY) 2012 Salem Resource Advisory Committee (RAC) Projects Approval

Attached please find the list of the FY 2012 projects recommended by the Salem District Resource Advisory Committee (RAC) on June 16, 2011. We forwarded the list of projects to the appropriate counties as a courtesy on July 6 and received no objections to the funding of these projects.

When changes occurred to the county balances in August 2011, we conducted additional outreach to both the RAC and the affected counties to explain the project funding changes. No objections to these changes were received.

This constitutes approval of the Title II projects as described in Sec. 204, of the Public Law 106-393 as amended by PL (110-343), otherwise known as the Secure Rural Schools and Community Self Determination Act of 2000. The projects have been recommended by the Salem BLM RAC and approved by me.

Please consider this our final project submission list for 2011 Salem RAC project funding, whose funds can be obligated and/or spent in FY 2012.
