BLM to Conduct Pile Burning North of Republic, WA

SPOKANE, WA –The Bureau of Land Management (BLM) will conduct prescribed burns of debris piles in the Lambert Creek area beginning as early as November 8, 2010 and continuing through the winter. The project is located in Ferry County approximately 10 air miles northeast of Republic, WA and 6.5 road miles up the Lambert Creek Road.

There will be no formal road closures but smoke from the burn may drift across the county road. Signs will be posted as necessary on roadways in the vicinity of the burn location.

For further information, contact Richard Parrish at (509) 536-1200. Additional information can be found at: <http://www.blm.gov/or/resources/fire/prescribedburns/index.php>

About the BLM: The BLM manages 245 million acres of public land known as the National System of Public Lands. The lands are primarily located in 12 Western states, including 75 million acres in Alaska. With a budget of about \$1 billion, the bureau also administers 700 million acres of sub-surface mineral estate throughout the nation. The BLM's multiple-use mission is to sustain the health and productivity of the public lands for the use and enjoyment of present and future generations.
