BLM
Spokane District Office

Liberty Campground Reopened

Spokane, WA –The Bureau of Land Management has now reopened Liberty Campground, which is located approximately 20 miles north of Ellensburg, in Kittitas County WA. The campground was closed temporarily due to dangers associated with the Table Mountain Fire Complex, which is now 100% contained.

Additional information about the BLM Spokane District is available online at:

-BLM-

The BLM manages more land – 245 million surface acres – than any other Federal agency. This land, known as the National System of Public Lands, is primarily located in 12 Western States, including Alaska. The Bureau, with a budget of about \$1 billion, also administers 700 million acres of sub-surface mineral estate throughout the nation. The BLM's multiple-use mission is to sustain the health and productivity of the public lands for the use and enjoyment of present and future generations. The Bureau accomplishes this by managing such activities as outdoor recreation, livestock grazing, mineral development, and energy production, and by conserving natural, historical, cultural, and other resources on public lands.

Come join the Oregon/Washington BLM on our Social Media sites for the latest on outdoor opportunities, videos of your public lands, spectacular photos, and a whole lot more!
