Scoping Meeting Scheduled for BLM Projects near Ringer Road

Ellensburg, Wash. – The Bureau of Land Management (BLM) has scheduled a public scoping meeting for 5 p.m. Thursday, Dec. 10 at the Ellensburg Public Library on 209 North Ruby Street. The public is invited to attend the meeting to learn about the recreation and riparian habitat enhancement projects proposed by BLM on the 270 acres it manages adjacent to Ringer Road, south of Ellensburg. The BLM welcomes any input, questions and concerns the public may have regarding the proposed projects. For specific questions about the meeting, please contact Chris Sheridan at (509) 665-2118.

-BLM-

The BLM manages more than 245 million acres of public land, the most of any Federal agency. This land, known as the National System of Public Lands, is primarily located in 12 Western states, including Alaska. The BLM also administers 700 million acres of sub-surface mineral estate throughout the nation. The BLM's mission is to manage and conserve the public lands for the use and enjoyment of present and future generations under our mandate of multiple-use and sustained yield. In Fiscal Year 2014, the BLM generated \$5.2 billion in receipts from public lands.

Come join the Oregon/Washington BLM on our Social Media sites for the latest on outdoor opportunities, videos of your public lands, spectacular photos, and a whole lot more!
