

WE WELCOME YOUR COMMENTS

Your input is important to us and will assist the EIS team by:

- Identifying issues that should be considered during the environmental review process and preparation of the EIS
- Offering specific ideas or comments on how to address a particular concern
- Providing specific information about how a particular element of the project would affect you -
- Speaking to team member if you have any questions about the project or EIS process
- Letting us know if your concern has not been addressed

Submit comments

The BLM and U.S. Army Yakima Training Center welcome your comments and input throughout the environmental review process. Please write your comments on the comment forms available throughout the room or provide comments at one of the GIS workstations.

Submit your comments in one of the following ways

- Place them in the comment box located at the Welcome Table
- Write to: BLM Wenatchee Field Office
Attn: Vantage to Pomona Heights EIS
915 Walla Walla Avenue
Wenatchee, WA 98801-1521
- Fax to: 509-665-2121
- Email Comments to: OR_Wenatchee_Mail@blm.gov (Specify Vantage to Pomona Heights EIS) -

All comments (letters and e-mails) for consideration in preparation of the Draft EIS must be received by **March 8, 2010**.
