Information Bulletin No. OR-2003-231

To: All District Managers  
Attention: Hydrologists, Engineers, Fisheries Biologists, Restoration Coordinators

From: Deputy State Director for Resource Planning, Use and Protection

Subject: Submission of Proposals for FY 2004 Clean Water and Watershed Restoration Projects DD: 09/15/03

The Washington Office Annual Work Plan directs Oregon and Washington to use a portion of its base funding in subactivities 1040 and 1120 to support the goals of Clean Water and Watershed Restoration. To comply with this direction, each office is directed to use a portion of its base budget in subactivities 1040 and 1120 for on-the-ground water quality, riparian improvement, and/or restoration projects. In addition, the State Office includes one-time increases in district cost targets for specific Clean Water and Watershed Restoration projects in subactivities 1040 and 1120.

Please use the attached Project/Action Proposal Form for FY 2004 one-time increases and submit your proposals *electronically* to Rosy Mazaika (OR-932) at [rmazaika@or.blm.gov](mailto:rmazaika@or.blm.gov) by September 15, 2003. If you have questions, please contact Rosy at 503-808-6076.

**Districts with Unions** are reminded to notify their unions of this Information Bulletin and satisfy any bargaining obligations before implementation. Your servicing Human Resources Office or Labor Relations Specialist can provide you assistance in this matter.
