Instruction Memorandum No. OR-2004-065

Expires: 9/30/2005

To: All Oregon State Office Employees

From: State Director, Oregon/Washington

Subject: New Bureau of Land Management/U.S. Forest Service (BLM/FS) Interagency Letterhead

Program Area: Printing Management.

Purpose: This Instruction Memorandum (IM) describes the new standards for Bureau of Land Management (BLM) and Forest Service (FS) interagency preprinted official letterhead (for external use) and electronic letterhead (for internal use).

Policy/Action: The BLM and FS have coordinated to create new official interagency letterhead (Attachment 1). Preprinted letterhead on cotton stock with the watermark, referred to as official letterhead for external use, is to be used for all correspondence going to the general public or any government agency outside of the Department of the Interior, and for retirement and award letters to BLM and FS employees. This new letterhead is available in the Supply Room located on Level P2 of the Robert Duncan Plaza Building.

Use the new electronic letterhead template (BLM-FS-OfficialElectronicLtrhd-03-29-04.dot) for any correspondence with the FS or any joint ventures co-authored with the FS such as aquatic strategies and the Survey and Manage program or for any co-authored memorandums to all employees for both agencies. The template is posted on S:\900\Directiv along with the other available templates. If you have any problems with accessing it, contact Mary O'Leary at 503-808-6159. Existing electronic co-agency letterhead for Instruction Memorandums and Information Bulletins will remain the same (see Attachment 2).

Timeframe: This IM is effective upon receipt.

Budget Impact: The application of this policy will have no impact on the budget.

Background: The BLM has several offices which are co-located with the FS. In some cases both directors will be signing the same document, i.e., retirement letters for an employee who worked for both agencies necessitating co-agency letterhead.

Manual/Handbook Sections Affected: There are no existing BLM directives that will be affected by this policy change.

Coordination: This IM has been coordinated with the Washington Office Public Affairs Group (WO-610); Lee Campbell, Bureau Printing Officer, National Business Center; Cliff McClelland, State Printing Specialist; and Mary O'Leary, Management Assistant.

Contact: If you have any questions or concerns regarding this policy, please contact Cliff McClelland at 503-808-6212.

Districts with Unions are reminded to notify their unions of this Instruction Memorandum and satisfy any bargaining obligations before implementation. Your servicing Human Resources Office or Labor Relations Specialist can provide you assistance in this matter.
