The OR/WA HRDC is an advisory committee to the State Leadership Team. The OR/WA HRDC provides a forum for employees to communicate concerns to management regarding job satisfaction, the work environment, employee well being and morale, and opportunities for personal development. The committee has a long history of introducing and implementing your ideas or expressing your concerns. Because management cannot be everywhere at once to hear these ideas and concerns, it is important for you to use the OR/HR HRDC Representatives as a communication link. The State Leadership Team fully supports this committee in the pursuit and resolution of your concerns.

**Districts with Unions** are reminded to notify their unions of this Information Bulletin and satisfy any bargaining obligations before implementation. Your servicing Human Resources Office or Labor Relations Specialist can provide you assistance in this matter.
