Subject: Fiscal Year 2007 and 2008 Service First Accomplishments

It's time to again focus on what we are doing in Service First in the Portland office. Attached is our 2007 Field Visit Final Results Action Plan for assuring we address the concerns raised in the Service First field units.

As part of our Portland commitment, we are hosting an interagency "Monday morning huddle" on June 2 at 10:30 a.m. We will meet in the Regional Forester's conference room.

The objective of this meeting is to quickly update each other on the action plan and explore items or issues that need further work. A copy of the First Field Visit and Action Plan are attached.
