WASHINGTON

NOTE: Make local inquiry of road conditions in remote areas. Some roads are impassable following severe weather conditions.

It is unlawful to trespass on private lands. State hunting and fishing regulations apply to private lands. Landowners are not required to post or fence their lands.

Roads shown, determined by district requirements, may not include all existing roads. Always seek private landowners' permission before using or crossing their lands

For current land status, consult official records at Bureau of Land Management, Washington State Department of Natural Resources, and U.S. Forest Service Office.

Contact district office for detailed and updated information about accessibilty to Bureau of Land Management recreational opportunities.

No warranty is made by the Bureau of Land Management as to the accuracy, reliability, or completeness of these data for individual or aggregate use with other data. Original data were compiled from various sources. This information may not meet National Map Accuracy Standards. This product was developed through digital means and may be updated without notification.
