

BLM Earth Day Events

Saturday April 21st

Beach clean-up and recreation site maintenance day - Patos Island, Washington

Participants will clean-up recent winter storm beach litter and/or perform recreation site maintenance for the seven designated campsites, trails and around the historic lighthouse.

Contact: Nick Teague, (360) 468-3754

Beach clean-up and recreation site maintenance day - Lopez Island, Washington

Participants will clean-up recent winter storm beach litter and/or perform recreation site maintenance for the BLM lands of south Lopez.

Contact: Nick Teague, (360) 468-3754

Beach clean-up, nonnative invasive plant removal and recreation site maintenance day - San Juan Island

Participants will clean-up recent winter storm beach litter, remove nonnative invasive plants and/or perform recreation site maintenance for the BLM lands of Cattle Point.

Contact: Nick Teague, (360) 468-3754

Environmental education (Earth Day and Energy Fair) - Roseburg, Oregon

BLM co-hosts a booth at the Douglas County Fairgrounds with the Umpqua National Forest with a theme of “Take a Hike”—storytelling, touch box, games, activities, outreach, prizes, costumes, lots of fun. Wildlife biologists and techs will assist at a separate booth teaching about International Migratory Bird Day.

Contact: Ariel Hiller, (541) 440-4930

Crook County Cleanup – Prineville, Oregon

Participants will collect trash, plant trees, remove invasive plants and enhance habitat.

Contact: Crook County Parks and Recreation, (541) 447-1209

Sunday April 22nd

“Procession of the Species” parade - Lopez Island, Washington

Participants will dress up as a species of their choosing and parade through the Lopez Village. As a day of awareness and appreciation for the diverse array of plants and animals in the San Juan Islands the Procession of the Species parade will be lots of fun and filled with festivities, music and food.

Contact: Nick Teague, (360) 468-3754

Saturday April 28th

Annual Spring Earth Day event in partnership with Molalla River Watch

Work includes river corridor clean-up, trail enhancements, and invasive species removal.

Contact: Cindy Enstrom, (503) 315-5969
