

Basic Stage Skills Workshop May 16, 2009

Join Brianna Candelaria for an introductory level workshop on public speaking and stage skills. Learn how to project your voice, build confidence, and find your own unique stage presence. Brianna will share tips for presenting interpretive talks and basic dramatic techniques for creating a character. Stage skills include when and how to use a microphone, body language and movement, and conquering your nerves. This workshop is for anyone who might need to get in front of a group for a speech or presentation.
