Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment — including your personal identifying information — may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. The minutes and list of attendees for each scoping meeting will be available to the public and open for 30 days after the meeting to any participant who wishes to clarify the views he or she expressed.

Additional Comments:

As to the John Peaks/Timber Mountain OHV plan, I am in total opposition – The BLM officials and also Oregon State Parks have demonstrated disgusting corruption. I say – do the right thing – if you want an OHV destination do it where there are no local residents, Trail, somewhere where there are wide spaces, and get your corrupt paws out of the Foothills/Birdseye/Forest/Gall Creek area!
