

**Resource Management Plans for Western Oregon  
BLM Needs Your Feedback – Comment Form**

**What would a successful plan look like to you?**

**What kind of management should BLM do more/less of?**

**What is the appropriate geographic scale and scope of the plan?**

**What new or innovative ideas should BLM consider in this planning process?**

**In regards to the resources BLM manages:**

- **What is the appropriate mix of old, mid-aged, and young forests on BLM lands and how should these forests be managed?**
- **How should BLM provide habitat for fish and wildlife and contribute to the recovery of Endangered Species Act listed species?**
- **How should BLM manage forests to protect property and ensure our forests are fire resilient?**
- **How should BLM-administered lands be managed to contribute to clean water and safe drinking water?**
- **How should BLM manage for recreation in western Oregon?**
- **How can BLM lands contribute to local economies and support local communities?**

**How interested are you in working with others to develop a management alternative?**

**Comments:**

I think the meeting should allow public to ask their question to the group rather than being split into small groups. Allow the public to speak to the bureau. Thank you
