Address:

1036 W. 13th
Medford, OR 97501

E-mail address: ngreen48@hotmail.com

I would like to opt out of the email list.

Comments:

Shooting on public lands: It is very unsettling to hear gunshots while using public recreation land. It is unsafe for everyone. The noise carries for miles. It is unfair to the majority of people and animals who are on the premises for habitat and enjoyment of peace and quiet in the natural world. Why not designate shooting areas instead for this minority of male users who need to discharge bullets?
