Subject: OHV Park on BLM in Foothills Area
Date: Friday, July 06, 2012 6:40:12 AM

Remove Johns Peak/Timber Mt. as an OHV area once and for all !

After much discussion and maneuvering by the OHV committee, we the residents of the Foothills Area, do not want an OHV park in the hills surrounding our area.

The risk for fire, noise, noisy traffic from motorcycles, environmental noise, dust and exhaust fumes, caused from motorcycles, and other motorized vehicles cause concerns for all in this area.

Health concerns also become paramount for a lot of the residents in the area, as well as for the writer.

The other concern is the erosion of the hills and damage to the trees caused by such activity.

For all the above concerns as well as others, we do not want OHV activity in this area.

Thanks,

Bob and Laurie James
