Dear Mr. Shepherd:

I am writing to request a 120-day extension to the 90-day public comment period for the Bureau of Land Management's DEIS for the proposed revision of the resource management plans of the six western Oregon BLM districts that are within the planning area.

The great length of this 1,650 page document precludes our ability to review it appropriately within the 90 days allowed.

Thank you for considering this request.

Very truly yours,

Pete Sorenson
Lane County Commissioner
South Eugene District
