re: off-road vehicle recommendations; Jackson County

To Whom It May Concern;

I am writing in regard to plans to open certain areas in the region to off-road vehicle recreation. Motorized usage is incompatible with all the areas. In my visits to John's Peak near Jacksonville and Wagner Butte near Talent, the areas were littered with beer cases, condoms, even used diapers. Trails restricted to hiking and biking, however, were pristine by comparison.

Thank you,

Daniel Latham
