Subject Riding our lands

1595

Winslow, Don
9-24-07
1610-WOPR

I love riding my atv on land not restricted by others. I have found that the time I spent with my boys and there friends keeping them from drugs and spent more time just having fun. Both of my boys are out and know spending the time with there boys. We all need to spend more time with our kids and less time on game boys. Or on the street looking for gans.
