Mr. Dick Prather
W. Oregon Plan Manager
Oregon State Office
Bureau of Land Management
333 S.W. 1st Avenue
Portland, OR 97204

Dear Mr. Prather:

Enclosed are copies of recommendations of the Coast Range Province Advisory Committee and cover letter from Dist. Manager Aaron Horton.

I have reviewed the 20 recommendations and again there are no provisions as to how you pay for their program.

The O&C Act of August 28, 1937 stated among other things; If the land is not used for agriculture or power plants then grow trees for the benefit of the people and industries on a sustainable basis. For over 50 years this program worked very well for the people, industries and revenue for the Counties. All this stopped because of politics in the mid nineties.

Now, the Bureau of Land Management needs to follow the requirements of the O&C Act of 1937.

Sincerely yours,

Wayne R. Giesy, Member
Willamette Province Advisory
Committee
