Dear Mr. Campbell,

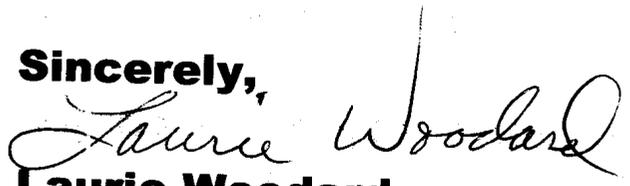

My husband and I live just one ridge east of Ferris Gulch, one of the proposed sites for Off-Highway Vehicles (OHV). It doesn't leave much to the imagination on what it will do for property values and noise levels in our neighborhood.

Then there is the logging issue. Ferris Gulch was logged in the mid-90's. The BLM property behind us was logged in the mid-80's.

All of our hopes, dreams and money are invested in our Thompson Creek property.

I am trying to keep anger, emotion and fear out of this plea, but it is extremely difficult.

Sincerely,

Laurie Woodard
