Tim Ruesaac, District Manager  
Medford BLM Office  
3040 Biddle Road  
Medford, OR 97504

Dear Tim,

We are strongly opposed to the proposed use of BLM lands on S. Fork Little Butte Creek Road, where we reside, for ATV recreation parks. Please count us a 2 votes against this.

We have personally—and on more than one occasion—picked up debris and disgusting amounts of trash that thoughtless ATVer's have left in our area.

Thank you for listening to the voices of local residents.

Sincerely,

Earl & Jeani King
