Dear Ed,

We are strongly opposed to the proposed used of BLM lands on S. Fork Little Butte Creek Road, Eagle Point, Oregon, where we reside, for ATV recreation parks. Please count us a 2 votes against this.

We have personally—and on more than one occasion—picked up debris and disgusting amounts of trash that thoughtless ATVer's have left in our area.

Thank you for listening to the voices of local residents.

Sincerely,

Earl & Jeani King
