

Mining Claim Fee Requirements

For Further Information: <http://www.blm.gov/or/programs/minerals/>

NEW CLAIM FILING

You must submit a copy of your notice of location, a map, and fees within 90 days of date of location.

For new lode claims or mill or tunnel sites, you must pay a \$212 per claim/site fee at the time of recordation with the BLM. This fee covers a \$20 processing fee, a \$37 location fee, and a \$155 maintenance fee for the assessment year in which the claim/site was located. For placer claims, you must pay a \$155 maintenance fee payment for every 20 acres, or portion thereof, in addition to the processing fee and location fee. For example, a 60 acre claim would cost \$522; a 70 acre claim would cost \$677. For any NEW claims located prior to September 1, but filed with the BLM after September 1, you must file your waiver certification with the location notice (in the same envelope). If you do not qualify for a waiver, you must pay an additional \$155 maintenance fee for lode claims or mill or tunnel sites. If you have a placer claim, you must pay an additional \$155 maintenance fee for every 20 acres, or portion thereof.
