

Know Before You Go

The pavilion at the Millpond Recreation Site day-use area has picnic tables, sinks, electricity and a large fireplace. The spacious day-use area has a ball field, horseshoe pits, grills, and restrooms with flush toilets and hot water. The day-use area closes one-half hour after sunset. If the site is not rented by a larger group, there is no charge for the day-use area for groups under 25 people.

For use of this fee site please contact the Roseburg Bureau of Land Management District Office for current rates and availability. A separate permit for pavilion use requires a fee and refundable deposit for groups of 25 people or more. Reservations can be made up to a year in advance.

In addition to the day-use area, Millpond Recreation Site offers 12 campsites in a forested setting on a first-come, first-served basis. A short nature trail on the west side of the campground, as well as the one-mile Sawmill Trail to the east, is wheelchair accessible. Pets are allowed, but must be kept on a leash.

Welcome to Millpond Recreation Site and Lone Pine Group Campground

The Millpond Recreation Site is located adjacent to the Bureau of Land Management's Lone Pine Group Campground along the banks of Rock Creek. Because of its relatively isolated forest location, and the availability of both a day-use area and an overnight campground, this site has become established as a visitor favorite. The day-use area features a large pavilion, a baseball field, and a water play area on Rock Creek.

At the Lone Pine Group Campground groups renting the site will find exceptional amenities, including 11 campsites, a pavilion, a volleyball court, and horseshoe pits.
