

Topsy Campground

Size: 15 Camp Sites

Location: From Klamath Falls, go 20 miles southwest on OR 66, then 1 mile south on the access road.

Latitude: 42° 7' 24.60"N

Longitude: 122° 2' 30.55"W

General Description: 15 campsites in a ponderosa pine forest on the shores of JC Boyle Reservoir. Facilities include a concrete boat ramp and dock, and an accessible fishing pier. Camping, picnicking, fishing, and swimming are all popular activities. Numerous shorebirds, waterfowl, and raptors nest and visit here, including eagles, pelicans, great blue herons, ducks, and geese.

Special Features: This campground is convenient as a base for exploring the southern Cascade range as well as the Wild and Scenic Upper Klamath River Canyon.
