

Portable Toilet Guide

Human Waste Removal Systems (HWRS) / “Portable Toilets” are required to be set-up **within 30 minutes** when arriving at camp, except at the sites listed below where government-provided toilets are located. An approved HWRS must be readily available to use or show throughout the day. The HWRS must be a dedicated system, and cannot be used to store supplies. Let’s work together to protect the wild river experience. Leave no trace of toilet paper or poop.

CAMPSITE * LOCATION DESCRIPTION

Rainie Falls (north)	1.7	Above Falls ONLY
Rainie Falls (south)	1.7	Above Falls ONLY

Portable Toilet

Human Waste Removal System (HWRS)

Set-up requirements:

- Toilet (HWRS) needs to be **Out of the boat**
- Easily accessible for everyone in group
- Away from central camp area

Please dispose as follows...

Solid Waste	Portable Toilet, Government Toilet*
Urine	Government Toilet, River (dilution is the solution). Portable Toilet (as capacity allows)
Toilet Paper	Portable Toilet, Government Toilet ONLY (pack it out)
Cleanwaste (wag bags) & Restop2	In dumpster, or pack it out** NOT in Government Toilet or SCAT Machine

Cleaning Your Toilet:

- Use Scat Machine at Foster Bar Takeout
 - \$1 per use (may take more than one cleaning cycle)
 - Takes **quarters** and **dollar bills**
 - Toilet waste and toilet paper ONLY (no Feminine Hygiene Products, no Wipes)
 - Contact Host for problems with SCAT machine
- RV Dump station

LEAVE NO TRACE

*Emptying contents of portable toilets into government toilets is **PROHIBITED**

**Disposing of toilet contents into dumpster is illegal unless contained in DEQ approved Cleanwaste (wag bags) or Restop 2.
