Tidepool Discovery Time:

Yaquina Head's tidepools are a wonderful place to observe beautiful ocean life and more! Park ranger(s) will be at the tidepools to assist you during optimal low tide times. ~135 stairs.

Tidepooling suggestions:

- The best time to view the tidepools is from 1 hour before to 1 hour after low tide.
- For the Cobble Beach tidepools, wear comfortable footwear with good traction, such as old tennis shoes or hiking boots.
- Avoid stepping on slippery surfaces, such as green seaweeds.
- Take your time and look closely. Many of the tidepool creatures are very small, well camouflaged, or well hidden. The slower you go, the more you will see!

Tidepool etiquette:

- Look at the tidepool creatures in their environment; removing them from the water or pulling them off rocks may injure or kill them.
- Help protect the mussel beds by walking around them, not on the mussels.
- Collecting animals, plants, and natural beach debris is prohibited. Animals, shells, and beach cobblestones are part of the protected marine garden, and must be left for others to enjoy.
- To protect marine life and seabirds, dogs are required to be on a 6 foot leash. Dogs are not permitted in the grass fields that surround the lighthouse or in the tidepool areas.
