

Solar

**Regional Mitigation Strategy and
Landscape Assessment
Objectives and Approach**

Improving DOI-BLM Mitigation Practices and Outcomes

SEZ FIELD VISITS, OPEN HOUSES, & PUBLIC WORKSHOP

Joe Vieira

Bureau of Land Management

September 8-12, 2014

Next Steps

- Stakeholders:
 - Review of baseline information and Landscape Assessment Phase I report – any additional studies, reports, data?
 - Review and comment on SEZ Impact and Mitigation Tables
 - Please send comments
 - **by October 1st to solarmitigation@blm.gov**
- BLM:
 - Residual impacts warranting mitigation
 - Mitigation goals and objectives
 - Candidate site locations
 - Stakeholder webinar on these topics – Late Fall 2014
