NOTICE: Payment to the BLM for the transfer processing service charge (see 43 CFR 4130.8-3) must accompany this application. You are encouraged to contact the BLM office that administers the subject grazing preference before you acquire base property and/or apply for grazing preference. All required forms that are needed to apply for grazing preference, to transfer grazing preference, and for a BLM grazing permit or lease are available at your local BLM office. INSTRUCTIONS: (1) To apply for preference already attached to base property that you (transferee) recently purchased, leased or otherwise acquired legal control, and the corresponding BLM grazing permit/lease, complete page 1 of this form, BLM Form 4130-1 (Grazing Schedule – Grazing Application), and BLM Form 4130-1b (Grazing Application–Supplemental Information), and submit these forms to the BLM with all documents that the BLM requires to support or verify the information stated on the application forms. (2) To apply to transfer preference from base property to other property (regardless of whether the other property is already base property for a BLM grazing preference) and for a corresponding permit or lease, the transferee completes the requirements described in (1), above, and the owner or controller of the base property from which the preference is to be transferred (transferor) completes page 2 of this form. Applicants must obtain all other needed signatures as applicable (e.g. lien-holder consent) to complete the application. Upon receipt of an application for preference or an application to transfer preference, the BLM will provide the parties to the transfer with an Assignment of Range Improvements (BLM Form 4120-8) for their completion as applicable.
