*\*This form is required in addition to the application for private maintenance for the certification of caring for more than four wild horses and burros. An individual or group of individuals can request to adopt more than four wild horses or burros in a 12-month period. This request is initiated by completing this form stating their ability to humanely care for the animals and includes a description of the facilities, including corral and shelter sizes, feed, water and trailer information. The form should be certified by a local humane official, veterinarian, cooperative extension agent, or a similarly qualified person. Once the form is completed, the authorized officer will review, follow-up as needed, conduct an inspection to verify that the applicant's facilities are adequate to care for the number of animals requested and provide a decision.*

### NOTICES

The Privacy Act requires that you be furnished the following information in connection with information required by this application.

AUTHORITY: 16 U.S.C. 1333 and 31 U.S.C. 7701.

EFFECT OF NOT PROVIDING INFORMATION: Submission of the requested information is necessary to obtain or retain a benefit. Failure to submit all of the requested information or to complete this form may result in the rejection and/or denial of your facility certification request.

PRINCIPAL PURPOSE: The BLM will use this information when certifying your facility for the care of wild horses or burros. BLM will use your driver's license and social security numbers as necessary for communication purposes.

ROUTINE USES: The primary uses of the information are to:

- 1) Identify adopters who are requesting to care for more than four wild horses or burros;
- 2) Document the certification or rejection of the request to care for wild horses or burros;
- 3) Monitor compliance with laws/regulations concerning maintenance of wild horses or burros outside of BLM care;
- 4) Identify contractors/employees/volunteers/service providers/adopters required to perform program functions i.e., veterinarians, farriers, the U.S. Forest Service (USFS) and the Animal and Plant Health Inspection Service (APHIS);
- 5) Provide necessary program management information to other agencies involved in management of wild horses and burros;
- 6) Identify and assign level of system access required by BLM, USFS and APHIS wild horse and burros program personnel; and
- 7) Authorize the disclosure of records to individuals involved in responding to a breach of Federal data.

## PAPERWORK REDUCTION ACT NOTICE

The Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.) requires us to inform you that:

The BLM collects this information in accordance with the statutes and regulations listed above, and for the purposes listed above.

Submission of the requested information is necessary to obtain or retain a benefit. You do not have to respond to this, or any other Federal agency sponsored information collection unless it displays a currently valid OMB control number.
