

U.S. Department of the Interior Bureau of Land Management

The Little Sahara Recreation Area Phase II

The Bureau of Land Management (BLM) continues to serve the public while doing our part to address COVID-19.

Following guidance from the Centers for Disease Control and Prevention, recommendations from state and local public health authorities, and in coordination with the Juab County Sheriff, the BLM is transitioning to phase II opening with following Individual Special Recreation Permit Terms and Conditions:

Standard ISRP Term and Condition:

1. *The Bureau of Land Management reserves the right to suspend this permit in order to protect public health and safety, or the environment. The use of this permit may be revoked if the vehicle occupants violate any Federal, State or County Laws.*

Additional ISRP Terms and Conditions:

1. *Dispersed camps will maintain a minimum of 100 feet between camps.*
2. *No one may congregate in groups larger than 50 within the recreation area, including at designated and non-designated camp sites.*
3. *Camping at Sand Mountain and Jericho will be permitted on a first come, first serve basis in accordance with the dispersed camping restrictions.*
4. *The Bureau may limit camp trailer entry to Sand Mountain and Jericho dispersed camping areas as needed to reduce congestion.*
5. *Oasis and White Sands designated campgrounds will be subject to the 50-person group size restrictions.*
6. *Restrooms will be limited entry to one person at a time. Visitors are directed to line up 6-10 feet apart outside the restrooms, using social distancing practices commonly seen in our communities.*

The above terms and conditions are ordered by the authorized officer and are in effect until rescinded or modified.

Please “pack it in and pack it out,” as trash collection may be limited in some areas.

For more information, please call Little Sahara Recreation Area 435-433-5960 or the Fillmore Field Office 435-743-3100 – Between 8:00 a.m. and 4:30 p.m.
