**NOTES & DISCLAIMERS**  
 This map shows seasonal and year-round limitations to public access and use of public lands managed by the Bureau of Land Management. These limitations have been established through the BLM's land use planning process. Additional limitations may exist; please contact the BLM Lander Field Office or appropriate landowner for current access and use limitations.

This map does not show user limitations on lands administered by federal agencies other than BLM. Please contact the corresponding federal agency for information on user limitations for lands under their administration.

No warranty is made by the Bureau of Land Management as to the accuracy, reliability, or completeness of these data for individual or aggregate use with other data. Original data were compiled from various sources and may be updated without notification.
