Hello Mr. Meader,

Thank you for your Information Correction Request filed on August 20, 2012 under the Information Quality Act (IQA) concerning SunZia Southwest Transmission Project information. Pursuant to the Bureau of Land Management (BLM) IQA Guidelines, I am notifying you, on behalf of the Acting Assistant Director, Information Resources Management, that your request requires more time to process. We are estimating a response to be delivered to you by December 7, 2012. As more status information becomes available, I will notify you. Should you have any questions, please contact Corey Wells, BLM Information Quality, at (202) 912-7561.

Respectfully submitted,

Paulette L. Sanford
Chief, Division IRM Governance
