The Bureau of Land Management is returning these EOIs for the following reason:

Our records show the surface for the lands you requested are privately owned. Our **Field Offices** must perform a NEPA analysis prior to offering the lands on a competitive oil and gas lease sale. In order to complete this analysis, we will need the names and addresses of all surface owners for the requested tracts. We cannot proceed with your nomination until we have the requested information. Please resubmit your EOI with the requested information.

If you have questions, please contact Aldine Reynolds at telephone number 775-861-6615, send a facsimile to 775-861-6711, write to the attention of NV922.r at the address on the letterhead, or send electronic mail to aldinereynolds@blm.gov.
