# EMERGENCY CLOSURE ORDER

Bureau of Land Management California

**EMERGENCY CLOSURE IS LIFTED for The San Joaquin River Gorge Special Recreation  
Management Area**

**October 25, 2020**

**Action:** Effective October 25, 2020 the Bureau of Land Management is rescinding the emergency closure of the San Joaquin River Gorge Special Recreation Management Area. Once rescinded all public lands described below will be open to the public. This closure was in place for public and firefighter safety in relation to the Creek Fire and management of that fire.

**Affected Area:** San Joaquin River Gorge Special Recreation Management Area. It is approximately 7,000 acres and located in the town of Auberry, CA, along Smalley Road, west of Powerhouse Road. The recreation area is located in Fresno and Madera Counties.

**Effective:** This Order is effective at 12:00AM Sunday October 25, 2020.
