2019 GSENM Artist in Residence -
Carol Johansen at Dance Hall Rock National Historic Site

Sponsored by Grand Staircase-Escalante National Monument in partnership with Escalante Canyons Art Festival and Glen Canyon Conservancy

The purpose of the Artist-in-Residence partnership between Grand Staircase-Escalante National Monument (GSENM), Escalante Canyons Art Festival, Glen Canyon Conservancy, and Grand Staircase-Escalante Partners is to promote awareness through the arts of the exceptional natural and cultural treasures within the Monument. The program aspires to share the scenic beauty and unique stories of National Conservation Lands with the public through artistic expression.

The residency provides artistic and educational opportunities to promote a deeper understanding of the natural, cultural and historic resources on GSENM. The residency provides an opportunity for learning and dialogue about the value of the National Conservation Lands and their connection to the local community. It allows uninterrupted time in a stimulating and rugged environment for an artist to pursue their work and share it with the public.
