### **Roll Call**

New policy for COVID if fully vaccinated you don't need a mask. Need to wait for policy to roll down from HQ before we can implement.

Mark Musick provided information on operations of the plant. Pipeline production is around 1300 and demand is picking up.

Rodney reported that calibrations are proceeding well.

Sam asked about the PSM proposals which are now over six weeks delayed. Nick want to meet with Ken Morin to prioritize PSM work due to gas release incident.

Nick asked about progress for the Safety Report Letter. Sam detailed last week the PSM reporting requirement to personnel and the recommendations from the report. Safety stand downs were held and downtown personnel received their update.

Storage holder call later today at 11:00 to update customers.
