**Nick D.**-Antitrust guidelines apply. If there are any questions, please let me know.

Any update on COVID?

**Sam B.**-5 folks returned to work Monday and 2 more that will be coming back this week. The impacted employees should be back by this Friday. We have not had any new cases since those.

**Nick D.**-Not a lot to talk about in operations since the plant is down.

Sam you have your storage call this morning?

**Sam B.**-Yes that is still planned. Thursday the 22<sup>nd</sup> will be the annual meeting for storage holders.

**Nick D.**-We also have a call this afternoon between BLM and CRLP. We will talk about resetting the stage to get order to the things everyone wants to get done.

Last week we had a discussion about eh PSVs and rotating equipment. Mark you said the PSVs had been completed if you can get me a list of dates so I can complete the matrix.

What else do we have?

**Sam B.**-I think that is it from the BLM side.

**Robert J.**-I will be out at the plant tomorrow morning so I will be out there 5 days a week and probably Saturday as well.

**Nick D.**-Ok Emress thanks for setting it up.
