

Fire Prevention Order

Bishop Field Office

Order Number CND-170-21-03

Effective October 15, 2021

Due to cooler weather patterns and moderated fire danger, the Bureau of Land Management (BLM) is rescinding the increased fire restrictions issued for BLM-managed public lands within the boundaries of the Bishop Field Office under Fire Prevention Order CND-CA170-21-02 effective Friday, October 15, 2021 at 6:00 P.M.

Acts prohibited year-round under 43 C.F.R. § 9212.1 and BLM-California Fire Prevention Order CA910-2020-001, and seasonal fire restrictions issued by the BLM Bishop Field Office under Fire Prevention Order CND-CA170-21-01, and/or certain California state laws remain in effect on BLM-managed public lands within the boundaries of the Bishop Field Office.

Acts that continue to be prohibited as defined under order CND-170-21-01, issued May 24, 2021:

- **No campfires outside of developed recreation sites (campgrounds):** Setting, building, maintaining, attending, or using a campfire or open flame of any kind is prohibited, except campfires within approved fire pits and grills already provided in developed recreation sites, which are limited to the Crowley Lake Campground in Mono County and the Tuttle Creek, Goodale Creek, Horton Creek, and Pleasant Valley Pit campgrounds in Inyo County, with a valid California campfire permit. Controlled flame devices, such as portable stoves and lanterns with shut-off valves, using gas, jellied petroleum, or pressurized liquid fuel are allowed and also require a valid California campfire permit. California campfire permits are available free at all BLM, U.S. Forest Service and Cal Fire offices or at www.readyforwildfire.org/prevent-wildfire/campfire-safety/.
- Smoking, except within an enclosed vehicle or camp trailer or while stopped/standing in a designated developed campground with a three-foot diameter area barren or cleared of all flammable materials and away from federal facility doors, windows and air ducts.
- Operating or using any internal combustion engine (e.g., chainsaws, generators, ATVs) off BLM designated roads and trails. All internal combustion engines, with the exception of registered street legal vehicles, must be equipped with a properly installed and maintained spark arresting device.
- Operating or using any OHV, portable tool or device powered by an internal combustion engine off established roads or trails on Public Lands.
- Possessing or operating any welding, acetylene device or other open flame torch that uses oxygen and fuel gases to weld and cut steel or metallic components. Welding and torch definitions and direction pursuant to 43 CFR § 912.2, U.S. Department of Labor -- Occupational Safety and Health Administration 1910.252(a).
- Possessing or using steel-jacketed or steel core ammunition of any caliber without a valid State of California hunting license and being actively engaged in the legal take/pursuit of game and non-game species in accordance with current California hunting regulations.

Exemptions

Pursuant to 43 C.F.R. § 9212.2(b)(3), each of the following persons are exempt from this order:

- 1) Any Federal, state, or local officer, or member of an organized rescue or firefighting force in performance of an official duty.
- 2) Persons with a permit or contract specifically authorizing the otherwise prohibited acts.

Red Flag Warnings

During the issuance of Red Flag Warnings and Fire Weather Watches, as determined by the National Weather Service (NWS), all use of campfires or open flame of any kind including within developed recreations sites, is temporarily suspended to reduce the potential of unintended wildland fire ignitions for the period of the event.

Duration of this Order

This order begins on Friday, October 15, 2021 at 6:00 P.M. and will remain in effect until rescinded by the Bishop Field Manager.

Penalties for Violating this Order

Anyone who is found guilty of violating a fire prevention order, which may be classified as a Class A Misdemeanor Offense under 43 U.S.C. 1733(a) FLPMA, 18 U.S.C. 3559, and 18 U.S.C. 3571 Sentence of Fine - Sentencing Reform Act, Oct. 12, 1984, that does not result in death, may be fined not more than \$100,000 and/or face imprisonment for not more than 12 months, or in accordance with the applicable provisions of 18 U.S.C. 3571. Restitution for total fire suppression and damage costs incurred may be borne by the trespasser.
