This permit is required for all non-commercial boating on the Lower Salmon River.

The trip leader must have this permit in possession during the river visit and display it upon request by a BLM or Forest Officer. The trip leader is responsible for the conduct of the members of his/her party for the duration of the trip, including their compliance with area regulations and these conditions of use.

Maximum party size is 30 persons.

SANITATION
- All solid human waste (fecal matter) must be carried out. All parties must be equipped with an approved carry-out system.
- Urinate at least 100 feet from any camp area or on wet sand.
- Waste water must be strained then scattered in vegetation above high water line.

FIRES AND FIREWORKS
Firepans to contain campfires are required. All ashes and other fire residue must be packed out. Possession and/or discharge of fireworks is prohibited.

GARBAGE
All garbage must be packed out, including micro-trash such as food scraps, cigarette butts, dental floss, etc.

ARTIFACTS AND HISTORIC SITES
Disturbing, removing, or damaging any historic structure, cultural feature, or artifact is prohibited. Enjoy these important features of the canyon, but leave them undisturbed for the future.

FIREARMS
Discharging a firearm near or within an occupied area, such as a campsite, is prohibited. Appropriate and safe use of firearms by all members of the party is the direct responsibility of the trip leader.

PRIVATE LAND
Respect private lands along the river. Do not enter without permission of land owner.

CAMP RUNNING
No party may occupy any campsite prior to 1:30 pm Pacific time unless the entire group is present.
