Subject: Craters briefing

Hi,
Kate is not in this week, so will not be at the Craters briefing. The main purpose of this afternoon's meeting will be to explain to Mike/John what the urgency is and to strategize a path forward and discuss options. call me ahead if you have questions - I now have a direct line (which doesn't go dead June) 202-208-3474.
Karen

Thanks Karen-we will be ready to discuss. Greg Russell was the SOL that really pushed for the July date-not sure if he is available or not but that could be value added for the discussion.

thanks. I have since learned that maybe Kathy B will, after discussion, be prepared to try to get the ok to push it up to Jim Cason for approval without waiting for Kate.

I will check on getting Greg added to the invite.

i think it will be best if you brief on the content but aim to keep it short enough to allow plenty of time for the next steps discussion
