Greg -

We pushed this back at Mike's request. I'd suggest doing some outreach to ID re: your concerns. Feel free to include me, or let me know if you need help setting up an informal call before the briefing next week. I've cc'd Tim Murphy and Peter Ditton from ID here.

I checked DTS and if there is going to be a package for the ROD it hasn't been entered into the system yet. Would be good to get those materials in advance of the meeting so that when Mike is briefed we can act on the approval quickly.

**Subject:** Re: Craters of the moon ROD

Thanks, Kelly. (b)(5) AWP

But it seems to me that the bottlenecks are likely to be in DC: (1) briefing ASLM/Deputy Secretary's office on the draft ROD; and (2) verifying that BLM can issue the ROD, notwithstanding the ongoing Monument review.
