Kristin,

Have you guys sent briefing materials forward for the Craters of the Moon ROD discussion this afternoon at 4 pm EST?

I checked the briefing table that Linda sends out and you're listed as the POC for materials....but I've also cc'd Idaho here since it seems like they should maybe have been listed as the lead for preparing materials.

If you've already sent them up can you please forward to me. If not, we may need to talk about rescheduling this meeting so we can make sure Mike and Kathy are prepared.

Thanks,
