Subject: Request - BIA Listening Session Locations

Hi Peter and Theresa,

We have been asked to provide a BLM field representative at the upcoming BIA tribal listening sessions per the executive order regarding the Department of Interior's review of National Monuments.

Below is a table with the dates and locations and attached for your reference is a spreadsheet showing which monuments the location includes.

The Portland location will cover both Cascade Siskiyou and Craters of the Moon. Is there a BLM representative that could attend the Portland session? We would recommend a state NLCS lead, AFM/FM or monument manager.

Please let me know if you have any questions or if you would like me to call and we can discuss further.

Nikki,
Yes, we will have BLM representation at the Portland listening session. We had already
planned on attending the Tribal conference and will add appropriate reps for the monument
listening session portion.
