Recreation **Use Fee**

A Flaming Gorge Use Pass is required and must be visibly displayed in vehicle windshields for anyone using the river corridor or the river access boat ramps and day use areas at Spillway and Little Hole.

Pick up a pass at any of the following locations:

- Forest Service Offices in Manila and Vernal, UT and Green River, WY.
- Flaming Gorge Dam Visitor Center
- Local vendors near Flaming Gorge

National Passes are honored in lieu of the Flaming Gorge Pass: Annual, Senior, Access, and Volunteer.

Permits are only required for commercial outfitters and guides floating on the A, B, and C sections of the river.

Camping

Restrictions A Section - No camping allowed.

B Section - Camp only in designated float-in or hike-in campsites. Registration for campsites must be made the first day of use at Little Hole on the Camp Registration Board. Some campsites may be reserved in advance online at recreation.gov (search for Green River Float-In Campsites, UT). All others are first come, first served.

C Section – Developed campsites are highlighted on the map, but campers are not restricted to only those sites. Campsites at Indian Crossing and Bridge Hollow can be reserved by calling the BLM at (435) 885-3307.

Leave No Trace Principles

The following is a selection from the Leave No Trace

- In popular areas: Concentrate use on existing trails and campsites.
- Walk single file in the middle of the trail, even when wet or muddy. Keep campsites small. Focus activity in areas where vegetation
- is absent. In pristine areas: Disperse use to prevent the creation of campsites and trails Avoid places where impacts

are just beginning.
