Roads, trails and areas Go where not eroded, obstacles to avoid widening the trails. Cross streams only at designated fords. When possible, avoid wet, muddy trails.

Respect the Rights of Others including private property owners, all recreational trail users, campers and other so they can enjoy their recreational activities undisturbed. Leave gates as you found them (unless otherwise specified). Yield right of way to those passing you or going uphill.

Prior to your trip by obtaining travel maps and regulations from public agencies. Plan for your trip, take recreation skills classes and know how to operate your equipment safely.

Avoid Sensitive Areas on land such as meadows, lake shores, wetlands and streams. Stay on designated routes. This protects wildlife habitats and sensitive soils from damage. Don’t disturb historical, archaeological or paleontological sites.

Do your part by modeling appropriate behavior, leaving the area better than you found it, properly disposing of waste, minimizing the use of fire, avoiding the spread of invasive species and repairing degraded areas.
