This booklet contains statistics about the Bureau of Land Management in Oregon and Washington. Most of the figures pertain to fiscal year 1969 (July 1, 1968 to June 30, 1969). For comparison, data for the preceding year are usually listed, too. In a few cases it has been more appropriate to list data on a calendar year basis.

Resource management facts are provided for the ten BLM districts in Oregon and the one BLM district in Washington.
