Road: Route designated for use by low-clearance vehicles having 4+ wheels and maintained for regular continuous use. (Note: There are no Roads depicted on map #4).

Primitive Road: Route designated for use by 4-wheel drive/high clearance vehicles (two-track).

Motorized Trail: Single-track route designated for use by motorcycles and E-bikes.

Non-Motorized Trail: Single-track route managed for use by human-powered and stock forms of transportation or historical or heritage values.

Technical Vehicle Site: Site primarily utilized for 4-wheel drive rock crawling.

DISCLAIMER: Travel routes depicted on this map across Arizona State Trust Lands or private lands do not imply legal public access to use or construction lands. Any public use of State trust lands is strictly under the jurisdiction of the Arizona State Land Department and use of private lands requires permission of the land owner. All users must comply with State policies and regulations and private land owner rights in order to legally use or traverse over BLM lands.

No warranty is made by the Bureau of Land Management as to the accuracy, reliability, or completeness of these data for individual use or aggregate use with other data. Copyright data were compiled from various sources. As results change over time, BLM land may not be accurate for real-time depiction. This information may not meet National Map Accuracy Standards.
